F.No. XVI/13/20/Workshop/Tech/Psy/2013

Date - 03.12.2013

NOTICE

As you are aware that the system for 'Online Registration and submission of online returns by manufacturer & wholesalers of psychotropic substances' has already been launched. This system is being implemented to facilitate registration of manufacturers and wholesalers of psychotropic substances (bulk drugs as well as preparations) in the country and post registration, obtain online import/export applications and quarterly returns with details such as domestic sale and purchase, export/import, usage in R&D activities etc. This portal can be accessed on <https://cbnonline.gov.in>.

It is observed that in spite of repeated requests made by this office to the manufacturers and wholesalers of psychotropic substances for 'Online Registration', the response received is not pleasing.

Hence it is reiterated that every manufacturers and wholesalers of psychotropic substances may ensure to get themselves registered with Central Bureau of Narcotics immediately through the above portal. Otherwise, the all the applications received for import/export of psychotropic substances on or after 01.11.2013 will only be processed subject to the condition that the importer/exporter has applied through online and the hard copy of the same is submitted along with the requisite documents to the Central Bureau of Narcotics.

To facilitate the trade and speed up the registration process Central Bureau of Narcotics is organizing a three day camp from 26th December to 28th December, 2013 in its headquarters office at the office of the Narcotics Commissioner, 19, The Mall, Morar, Gwalior - 474006 (M.P.) where CBN staff along with the members of NIC team and the developer team will be available to resolve the troubles being faced by the manufacturers and wholesalers of psychotropic substances during 'Online registration'.
