

F.No. XVI/13/20/PCOnline/2018-

Dated 12th July, 2019

PUBLIC NOTICE NO. 11/2019

**IMPLEMENTATION OF PGA ESANCHIT-PAPERLESS PROCESSING UNDER SWIFT
UPLOADING OF LICENSE/PERMITS/CERTIFICATES/OTHER AUTHORIZATIONS
(LPCOS) BY CBN**

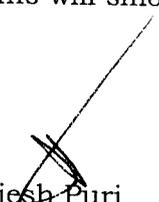

It is brought to the notice of the trade that the government of India has launched Single Window Interface for Facilitation of Trade. In this direction the CBIC has provided a platform called eSANCHIT where the Participating Government Agencies (PGAs) involved in issuance of Licenses, Permits, Certificates and other Authorizations (LPCOs) will upload the documents so that the hassle free environment is created for the trade.

For successful implementation of this initiative, the CBIC had requested all the beneficiaries to come forward and register on ICEGATE portal of the CBIC to avail the benefits. However, the response of the trade has not been encouraging. With a view to increase the participation of the trade, the registration process has been made simpler by introducing simplified auto registration for IEC holders based on the email ids already provided by them for registration under GST. Detailed advisory on the same is available on the ICEGATE web portal. The simplified procedure does away with the requirement of the digital signature. However, the digital signature would be required in case the IEC holder intends to file any declarations (BE, SB, eSeal manifest etc.) with Customs. Further, the communication of the IRNs pertaining to LPCOs uploaded by PGAs will also be made to the beneficiaries through the email ids used for ICEGATE registration. The registration of importers and exporters will also enable direct access to information related to their consignments for which DG (Systems) is providing several enquiries under their login. The importers and exporters will get intimation about the status of their consignments and PDF copies of their declarations and their

registered email ids. The option of replying to the queries raised by Customs Officers, including those raised during post clearance audit, has also been provided under login of the IEC holder so as to avoid the necessity of submitting the same physically at the Service Centre.

The Central Bureau of Narcotics being one of the Participating Government Agency in this initiative, will soon start uploading the import certificates, export authorization for import/export of narcotic drugs and psychotropic substances and NOCs for import/export of precursor chemicals (controlled substances) into/from India and registration of sales contracts for import of poppy seed into India.

The beneficiaries who require obtaining export authorizations, import certificate for import/export of narcotic drugs, psychotropic substances and precursor chemical (controlled substances) and registration of contracts for import of poppy seeds are requested to get themselves registered at ICEGATE portal at the earliest so that they are able to avail the benefits of the hassle free service of eSANCHIT. This will smoothen the process of clearances of their goods from the Customs.
