

Launch of website <http://cbnonline.gov.in> to facilitate e-registration and online submission of applications and reports

Attention of the industry is invited to this office circular F.No.2/2/Tech/2012 dated 1st August, 2011 regarding the Government of India's initiative towards e-governance by introducing a web based application to facilitate online registration and submission of online application for import/export and submission of statistical reports and returns on psychotropic substances to the Government.

2. After due consultations with the stakeholders and meetings held on 15th September, 2011 at CBN Headquarters, Gwalior and on 27th September, 2011 at World Trade Centre (WTC), Mumbai with the manufacturers and Pharmaceutical Associations to discuss the Prototypes of forms designed by team from National Informatics Centre (NIC) to have feed-back/ suggestions of the industry to make the software application user-friendly.

3. The development of Module on Online registration of manufacturers and wholesalers of psychotropic substances and Export/Import Module has been completed. The web-based application will be launched by the Revenue Secretary on 19.09.2012.

4. All the stakeholders are advised to visit the CBN website <http://www.cbnonline.gov.in> for registrations w.e.f. **20/9/2012**. After completion of registration process in the respective category, the users will be able to file online application for import/export of psychotropic substances. The stakeholders are advised to read the user manual uploaded on the said website carefully before submission of online applications so as to avoid rejection of the application and unnecessary delay in the process.
