F.No. XVI/13/04/Tech/Psy/2022-

Dated the 04<sup>th</sup> April 2022

## PUBLIC NOTICE

**Subject :- Amendment to Public Notice dated 13.01.2022 regarding change in modality for submission of applications of export authorization/ import certificate/ NOCs for export/import of Narcotic Drugs/ Psychotropic Substances/ Controlled Substances - Reg.**

Attention is invited to CBN public notice dated 13.01.2022.

Para (v) of the said public notice may be read as under:-

“Before submitting application through email for export of narcotic drugs/psychotropic substances/controlled substances the company should ensure to send the original import certificate, issued by the Government of importing country in original, by post/courier to this office. The receipt of post/courier of sending original import certificate or acknowledgement of direct submission at CBN may be scanned and attached in mail. However, in such cases the export authorization will be issued only on receipt of original import certificate. (Rule 58(2)(b) of NDPS Rules, 1985).

**This will be applicable only where the import certificate is being issued in original and not in digital or electronic format, by the Government of importing country.”**

By way of this public notice, attention is also being drawn to Para (vi) of public notice dated 13.01.2022 in which it has been categorically mentioned that submission of multiple applications and other than specific email, all the application will not be considered. Besides the same, this office is receiving application to multiple email IDs followed by hard copy also. This is leading to duplicate application hence all the stake holders are being aware that now onwards submission of application to multiple email ID followed by hard copy of the application will be liable for rejection and closed with intimation to the company.

With regard to uploading of export/import NOC on e-Sanchit portal or to send through email attention is drawn to CBN Public Notice dated 12.07.2019 & 08.02.2022 vide which exporter/importer was advised to get registered themselves at ICEGATE portal and accordingly asked to share their beneficiary code with this office, respectively. Only few exporter/importers have shared their beneficiary code with this office and hence all the exporter/importer are once again advised for the them in order to enable us to consider the request of the Association for uploading of export authorization or import certificate on eSANCHIT portal.

**By order of Narcotics Commissioner**
