PUBLIC NOTICE

Subject: - Route change for export consignments – During lock down period declared by the Central Government

It is in the notice of the department that due to outbreak of COVID-19 Epidemic there is worldwide lockdown and cancellation of scheduled international airlines and there are only a few cargo freighters operating in and out of India. Therefore, the exporters of Narcotic Drugs, Psychotropic Substances and Controlled Substances are facing difficulty in adhering to the routing for which export authorization/NOC has been issued.

Therefore, in order to facilitate the trade, it has been decided that till the time scheduled international airlines starts operating smoothly, the exporters in case of change in route (than that mentioned in the export authorization/NOC issued by CBN) shall intimate CBN (on email id - narcommr@cbn.nic.in), from their registered email ids, about the exact routing, at least 48 hours PRIOR to the shipment of a consignment of Narcotic, Psychotropic or Controlled substance and can proceed to export the shipment with changed route without waiting for formal approval of CBN.

By order of Narcotics Commissioner
