- (2) List of hospitals, which have acquired NABH status has been updated. The term, – Endoscopic procedures – under which category Hospitals are empanelled shall include endoscopic surgery as well as laparoscopy and laparoscopic surgery for the purpose of providing treatment facilities.
- (3) Treatment in Casualty OPD shall be treated as treatment under emergency and credit facility shall be extended to the CGHS beneficiaries. However, routine OPD consultation shall not be considered a medical emergency.
- (4) NABL Accreditation is not prescribed for imaging centres and therefore, list of Rates prescribed NABL centres shall be applicable for Imaging Centres.
