Dated 13th September, 2023

PUBLIC NOTICE

The Unified Web Portal of CBN, which is one step solution for all license related works with Central Bureau of Narcotics, is another step towards transforming India into digital nation. The said portal was made LIVE for the users from July 2023, to register themselves with CBN via this portal. However, it has been observed that only few companies have got their profiles successfully registered with CBN as compared to the number of applicant login accounts created.

Since, the Central Bureau of Narcotics is now planning to go ahead with the next phase, wherein the applications for Import Permit/Export Authorization/NOC of NDPS substances will be processed on the Unified CBN Portal only, it is therefore advised that all companies shall complete the registration process by the end of this month and start filing the applications through the Unified CBN Portal.

By Order of Narcotics Commissioner
