Corrigendum/ Clarification- 3

(Regarding uploaded BOQ file)

SUBJECT: - Corrigendum/ Clarification Regarding BOQ file uploaded in Tender (ID-2024_DREV_836033_1).

It has been reported by some of the prospective bidders that there is some formula error in the BOQ file uploaded under the Tender ID-2024_DREV_836033_1 (*issued for inviting RFP for Onboarding of MSP for conducting GIS and Satellite Survey and Implementation of GIS and image Processing platform for monitoring of Opium Cultivation in Central Bureau of Narcotics*). The uploaded BOQ file has been re-visited and observed that due to some technical errors, the formulas inserted therein are not functioning correctly.

In this regard, we are attaching herewith a PDF file of the BOQ file as **Annexure-I**. This attached Annexure-I is just only for illustration and understanding purposes and not for providing data therein.

It is further clarified that, in case of any calculation mistake due to error in the formula in the BOQ file uploaded under above Tender on CPP portal, **at the time of opening of bids, the CBN will consider only the unit price and quantity submitted in the financial format of the uploaded BOQ file and will do manual calculation as shown in the attached Annexure-I**. Accordingly, all the bidders are required to submit their financial bid details in the uploaded BOQ file only, hence, financial bid details are not required to be submitted in the physical form.

All the stake holders and prospective bidders are requested to take care of this Corrigendum/ Clarification regarding submission of the financial bid details in the uploaded BOQ file.

By the order of Narcotics Commissioner
